IMPACT WORKSHOPS

IMPACT (Involving More Children and Parents Together) Workshops are taking place next week for YR3 (Tuesday) and YR4 (Wednesday). We hope that all YR3 and YR4 parents and carers will be able to attend these workshops.

ANTI-BULLYING WEEK (16th - 20th November)

The theme for National Anti-Bullying week this year is 'Cyber Bullying'. Each year children take part in activities which focus on different aspects of bullying and friendship issues. In addition to the National theme we will also be focusing on peer mediators and strategies for resolving situations. There are several ways parents and carers can get involved in the week -

'Keeping Your Child Safe on the Internet'

Andrew Pickering will be leading a parent/carer workshop at 9.30am on Friday 20th November in the ICT suite to look at safe Internet use and cyber bullying. More information to follow.

ROAD SAFETY PLAY

Today the MOMO Theatre Group gave a performance to all children about road safety, sustainable transport and journeys to school. The children really enjoyed the performance and had fun joining in with the performers.

CHILDREN IN NEED

India and Tyra in YR5 have asked to organise a cake sale to support Children in Need. They have also suggested a picture competition - 'Pudsey in the Kitchen'. The pictures will be judged by Margaret, our school cook. Please see India and Tyra's poster over leaf. More information will follow next week.

GETTING TO SCHOOL ON TIME

The best class at getting to school on time this week was YR6 with only 2 lates. Well done YR6!
