

We are expecting beginning and end of day arrangements to return to normal next week. Thank you again to everyone for their co-operation with the temporary arrangement and for staff for working so hard to keep the school open and running smoothly. Now that the ice has melted; we ask that parents and carers adhere to the parking restrictions outside school.

GETTING TO SCHOOL ON TIME

Our getting to school on time competition starts again on Monday morning having been suspended for the duration of snow and ice. We are also going to start reporting the class with the highest attendance each week.

REQUEST FOR SHOE BOXES

YR1 have made a special request for shoe boxes. Please bring them to the dining area if you have any spare.

CLASS ASSEMBLIES

In the Spring Term parents and carers are invited to attend class assemblies. These take place on Friday mornings at 10.30am.

PROGRESS EVENING

This year our February open evening will take place over 2 evenings. This is to enable us to return to an individual appointment system and will give parents and carers the opportunity to review targets set in September. January Reception parents will be invited to meet the teacher individually.

CLUB NEWS

Clubs start again next week following this week's postponement due to the weather. A letter was sent out yesterday informing parents about two new clubs and spaces in clubs for this term. If you did not receive this letter please ask at the school office or download it from the school website by clicking on the clubs section. Requests for additional clubs need to be made by Monday 18th January 10.

SCHOOL ADMISSIONS

The closing date for applying for a reception class place for a child due to start school in the next academic year is Monday 1st February. Please remember that even if you have a sibling already in the school it is essential to complete an application form. The forms are available from the school office.

PAYMENT SYSTEM

In September we introduced a new payment system to record the collection of money for clubs and services. It is hoped that parents and carers will pay for dinners, breakfast club and after school club weekly in advance and to help with this we have uploaded the costs to the school website (latest news). School dinner money amounts can be found overleaf and a paper copy of club costs was sent home on the reverse of the clubs letter yesterday. Clubs can be paid for weekly or half termly in advance.

Change to statement

Statements will now show enrichment club balances for the whole term instead of sessions to date.

READING AND MATHS WORKSHOPS

Reading and Maths Workshops commence again next week (Friday mornings 9.00am - 9.30am) for Reception up to YR4. Please see your child's class teacher if you are able to come in and help at this time. There is a crèche available in the Community Room. Please let Marsherie McGregor know if you require a crèche place.

KS1 CHRISTMAS PERFORMANCE

Errol has produced a DVD of the KS1 Christmas Performance. This can be purchased by completing the slip on the reverse of this letter.
