This morning Year 3 presented an assembly about South America and the Brazilian Rainforest. It was very entertaining and well produced with colourful dancing, costumes and music. We all learned some interesting facts and parents commented how impressed they were with the performance.

## MLE and School Website Survey

We have sent a questionnaire home with this weeks newsletter. We are keen to hear your views about our new MLE and how it can be developed for parents and carers to access information about the school website. We would be grateful if you could take a few minutes to complete the questionnaire and return to the school office.

## Building work update

Essential work to revive the school and upgrade the existing fire system will be starting at half term. This work will be taking place in the school holidays and during the evenings to avoid disruption to the school day. The work will be completed by September.

## Getting to school on time

The best class at getting to school on time this week is Year 2 with only 1 late! Well done.

## Staff News

We currently have 3 students working with us. Anna Williams is working with Year 5 class during her final year of her teaching degree. We also have 2 students who completed work experience with us this week, Altea Meraj and Daniella McCallum who have been working with different classes throughout the school.

## Sports News

Our Year 6 football team will be playing on Blackheath tomorrow morning.
