

Dear Year 4 parent/carers,

We are taking Year 4 on a residential visit to Carrotty Wood, an activity centre in Kent, for a 2-night stay from 20th March 2023 to the 22nd March 2023. Residential visits are amazing experiences for children and help develop their independence, resilience and sense of adventure.

Carrotty Wood residential centre is situated just outside Tonbridge, Kent. The activity centre is enclosed in 58 acres of mature woodland with plenty of natural habitat and wildlife for groups to explore. Carrotty Wood is equipped with dormitory accommodation, a range of instructed and self-led activities and a heated indoor swimming pool.

The cost of the visit will be £160, including the cost of travel, accommodation, catering and activities. There will be a discount for children eligible for Free School Meals. We have managed to keep the cost the same as last year due to the PTA subsidising the coach.

The proposed payment plan is:

	Non FSM - £160	FSM - £40
November 3 rd 2023	£40	£10
December 8 th 2023	£40	£10
January 12 th 2024	£40	£10
February 9 th 2024	£40	£10

We will be holding a Parent Information evening about the visit on 17th October at 6.00pm. This will be via Teams and a link will be emailed out.

Kind regards,

Andrew Pickering

Horniman Primary School is committed to safeguarding and promoting the welfare of children and young people and Stepexpects all staff and volunteers to share this commitment.
